Weekly Prayer Concerns

Prayer is vital to everything we do at the Wadsworth UMC. In prayer, we do not simply ask for our needs or the needs of others to be met, but we seek God's presence and ask Him to bring His Kingdom on earth as it is in heaven. ln prayer, we enjoy time with God knowing that He welcomes us as His beloved children. Please mention these persons in your prayers this week.

Prayer focus for week:
Please pray for those facing medical conditions; may God give them and their loved ones grace, comfort, and care.

When they call to me, I will answer them; I will be with them in trouble, I will rescue them and honor them.

Finding Holy Days in Ordinary Ways

Luke 2:8-20 November 29, 2026

1. The Bible can be described as a book of miracles. What is the most amazing miracle you can think of?

• Why does this particular miracle stand out to you, and what does it reveal about God's character?

2. After the shepherds in Luke 2 found and worshiped the babe Jesus, they returned back to their ordinary routines, but they went back singing.

• Why do you think their perspective shifted so drastically even though their daily circumstances remained the same?

3. The peace that the Bible teaches us is not the peace of a perfect environment, but the peace of a p_____. That's why, for two thousand years, people call the baby in the manger the "Prince of P_____."

• How can you practice experiencing the Prince of Peace in the midst of a stressful week?

4. The message of Advent is that God doesn't wait until the problems in our lives are resolved; Christ was and is born into a chaotic world.

• What areas of "chaos" in your life right now are you waiting for God to fix before you allow yourself to experience joy or rest?
