Weekly Prayer Concerns

Prayer is vital to everything we do at the Wadsworth UMC. In prayer, we do not simply ask for our needs or the needs of others to be met, but we seek God's presence and ask Him to bring His Kingdom on earth as it is in heaven. ln prayer, we enjoy time with God knowing that He welcomes us as His beloved children. Please mention these persons in your prayers this week.

Prayer focus for week:
Please pray for those facing medical conditions; may God give them and their loved ones grace, comfort, and care.

When they call to me, I will answer them; I will be with them in trouble, I will rescue them and honor them.
